Let's Load the Trailer

Now that the Berlin Emergency Food Pantry is moved to it's new location, we would like to have a food drive to help stock it's shelves. We will have a parish food drive the week-ends of September 16/17 and 23/24. The trailer will be located in the gathering space, as in previous years. Items especially needed are cereal, peanut butter, canned soups, jelly, jam, pancake mix, pasta, spaghetti sauce, any kind of crackers, tuna, macaroni and cheese, canned pasta and paper products. Cash donations are especially appreciated and will be used to purchase meat and perishable items. Cash donations may be dropped off at the parish office or put in an envelope in the collection and marked food pantry donation. We have filled the trailer before . . . Let's do it again!

The Berlin Food Pantry is now located behind River Shores church at 253 S. Church St. in Berlin. It will be open on Thursdays from 9:30 - 11:30 AM. Our collection container is back in the meeting room for your generous weekly donations. The Pantry also needs adults who would like to volunteer for 2 to 4 hours a week for various needed tasks. If you are interested, please call Larry Budde at 290-3217 for more information.

RESTRICTING TAXPAYER FUNDING FOR ABORTION

MADISON -- The Wisconsin Catholic Conference (WCC), the public policy voice of the bishops of Wisconsin, supports and offered testimony on two bills that would restrict the use of taxpayer funds to pay for elective abortions.

On April 19, the WCC testified in support of Assembly Bill 128 (Rep. André Jacque, R-De Pere), which would prohibit public authorities from subsidizing elective abortions.

Much like the Federal Employee Health Benefits Program, AB 128 would prohibit Wisconsin's Group Insurance Board from providing health insurance that includes coverage for abortion services, with exceptions for rape, incest, and life of the mother.

WCC Associate Director Barbara Sella testified that "taking a human life is not health care, for it is neither healthy nor caring."

The bill passed the Assembly Committee on Health by a vote of 7-3 and now awaits a floor vote in the Assembly.

On July 18, 2017, Sella testified in support of Assembly Bill 206 (Rep. Jacque), which would prohibit the University of Wisconsin System or the University of Wisconsin Hospitals and Clinics Authority from allowing their employees to perform or assist in the performance of an abortion outside of a hospital setting.

The Assembly Committee on Science and Technology took no action on the bill.

The WCC encourages readers to contact their Assembly representatives and to urge them to vote in favor of both bills.

Adults from all faith traditions, or no religious background at all, are welcome to participate in our program of instruction designed especially for the needs and lifestyles of busy people.
