**PRAYER AFTER COMMUNION**

The time spent immediately following Holy Communion is a time when you are united to Christ in a uniquely real and very holy way. This can be a wonderful opportunity for prayer and reflection. Not sure what to say? The following is a nice prayer to pray after Communion or anytime.

Lord, I believe in You: increase my faith.  
I trust in You: strengthen my trust.  
I love You: let me love You more and more.  
I am sorry for my sins: deepen my sorrow

I worship You as my first beginning,  
I long for You as my last end,  
I praise You as my constant helper,  
And call on You as my loving protector.

I want to do what You ask of me:  
In the way You ask,  
For as long as You ask,  
Because You ask it.

Let me love You, my Lord and my God,  
And see myself as I really am:  
A pilgrim in this world,  
A Christian called to respect and love  
All whose lives I touch. Amen.

**WORSHIP WITHOUT WORRY**

Unfortunately, shootings in schools, churches, and other public places around the country are becoming much more common. Our parish feels it is prudent to be as prepared as possible for this kind of emergency. This is certainly no easy task. We want our church to be a welcoming place where people are free to enter, yet feel safe in their surroundings. How do we face the challenge of keeping the doors open to all, while simultaneously protecting those inside? To address this question and come up with a plan of action, our parish recently formed a Safety Committee.

The Safety Committee is comprised of parishioners who are already involved with various activities and ministries in our parish, and most of them have background in law enforcement. The Safety Committee's purpose is to establish an Emergency Action Plan (EAP). The committee will meet with local law enforcement, consider guidelines recommended by the diocese, and study plans already in use by other churches to help formulate a plan that makes sense for All Saints Catholic Church.

The committee will work to have an EAP that will set forth procedures to be followed in the event of an active shooter or other emergencies such as dangerous weather, fire, bomb threat, etc. The goal, of course, is to keep the people in and around the building as safe from harm as possible.

### **ASCS REFURBISHMENT PROJECT UPDATE:**

The All Saints Catholic School Refurbishment Project is off to a great start and is currently ahead of schedule. We would like to thank our many volunteers (parents, students, grandparents, parishioners, community members, and staff) who have worked so hard in the past two weeks. More than 60 volunteers and staff cleaned classrooms, moved furniture, patched walls, cleaned bathrooms, and brought in food, water and treats for those working each day. During the next few weeks, all classrooms will be painted and final preparations will be made for resetting each classroom in late July. Other refurbishment plans for this summer include a new security entrance door, an outdoor classroom, added storage, new windows in the west wing, and our new Junior High classrooms. Please visit the parish Facebook page for refurbishment updates and pictures or contact the school office for a personal tour.

We would also like to thank again more than 100 donors who contributed to the success of the ASCS Refurbishment Project. We are a blessed parish community.

### **"A PERSON IS A PERSON, NO MATTER HOW SMALL ..."**

We would like to thank St. Catherine of Siena, St. John's and Our Lady of the Lake Catholic Churches, and Grace Lutheran Church who helped sponsor the Life Chat on June 14th. Over 90 people attended the event in support of pro-life efforts in the state of Wisconsin. The CCW provided a delicious dinner which was also greatly appreciated. We invited our youth to take a stand and help set straight the terrible decision that worked its way into the fabric of our society. We thank them for joining us as well. Even though the event is over, our efforts must continue. Please join us in praying the Rosary at Planned Parenthood the first Monday of every month at 5:30 PM.
