**LET'S LOAD THE TRAILER**

With the kids being home during summer vacation, our food pantry could use some help in stocking it's shelves. We will have a parish food drive the week-ends of July 7&8, 14&15 and 21&22. A trailer will be located in the gathering space. Items especially needed are cereal, peanut butter, canned soups, jelly, jam, pancake mix, pasta, spaghetti sauce, any kind of crackers, tuna, macaroni and cheese, canned pasta and paper products. Cash donations are especially appreciated and will be used to purchase meat and perishable items. Cash donations may be dropped off at the parish office or put in an envelope in the collection and marked food pantry donation. Let's try to get the trailer filled!

**ASCS REFURBISHING PROJECT**

We are looking at flooring options in a couple of areas and picking out new classroom seating and a sink unit for the science room. Once the classroom floors are waxed, we will be asking the teachers and volunteers to help clean items that can then be moved back into the classrooms. We will need help from volunteers to scrub desks and chairs during the week of July 9th. If you'd like to help with that process, call 369-8339 and we'll set up a time for you to help. Donations toward this project are still welcome. Thank you to everyone who has been a part of this project; the cleaners, painters, donors and prayers. We are so grateful to all of you for your support.

**PARISH PRESS**

**Parishes Grow Only When  
People Are Welcomed, Says Pope**

Following are excerpts from an address  
given by Pope Francis  
~ Fr. David

**Rome:** Pope Francis addressed some 1,700 diocesan leaders, both clergy and laity, May 14 at the Basilica of St. John Lateran, the cathedral of the diocese of Rome.

A renewed outreach, the pope said, must begin because there are people in the parishes who might not know their catechism, but they see the basic interactions in their lives through a lens of faith and hope.

Changing the way parishes – and their priests and involved laity – operate will not be easy, the pope said, but members of the diocese must set out to follow the Lord more closely and learn how to show everyone living within the parish boundaries, that they are recognized and loved.

Calling for a “revolution of tenderness” in parishes and the diocese, Pope Francis said that while “guiding a Christian community is the specific task of the ordained priest, pastoral care is based in baptism and blossoms from brotherhood and is not the task only of the pastor and priests, **but of all the baptized.**”

Pope Francis told them it's important to recognize that even if people have failed, God is still present and is calling his people to come together and to move forward. “Our parishes,” he said, “must be capable of ... offering and creating relationships where people feel that they are known, recognized, welcomed, listened to, loved – in other words, not anonymous parts of a whole.”

Often, he said, parishes are slaves of doing things the way they always have been done and invest time and energy in projects and programs that no longer meet the needs of the people.

“We must listen without fear to the thirst for God and to the cry that God show himself, and help us escape the impression that our life is useless and robbed by the frenzy of things that must be done and by time that keeps slipping through our hands.”

Too often, he said, evangelization is stifled by “faith understood only as ‘things to do’ and not as a liberation that renews us at every step.”
