PARISH PRESS

Safety Corner Update

Our Safety Committee has been diligently meeting every month to continue to work towards writing an Emergency Action Plan in the event we have a fire, bad weather, a bomb threat, or unfortunately, an active shooter event in our parish. We pray none of this ever happens; but it is best to be prepared and keep our parishioners safe while here to celebrate the Mass, at All Saints. We are working towards implementing a security and access system to be installed in our parish to help monitor the security of our complex and parish surroundings. We have applied for a grant that we pray will be awarded to provide the funds for this future project and may it please God to keep His House a place where all will feel safe to come practice their Catholic faith. Should anyone wish to make a donation towards the installation of a security system for our parish - we welcome your generous gift and would be ever so grateful.

We would like to remind our parishioners and update our summer guests and visitors of our door- locking procedures that began in early December 2018. For the safety of our parish, we have started to lock all entrances, but the social hall side during week day office hours. The church side will be unlocked only for Mass times during the week. The church is still available for those who wish to come pray or light a candle, we simply ask that you use the social hall side and walk down the hall to enter the church. We realize this may be inconvenient, but we do it out of safety and security reasons. We appreciate your patience as we continue to adjust to this new change. As some may have noticed, we have adjusted the signs on the front doors to encourage those who arrive late to Mass; to be patient as an Usher will be there momentarily to unlock the door for you. We understand that on occasion there are things that happen that are out of your control to get to Mass on time. Please know it is not our intention to purposely lock anyone out.

Weekdays: If these doors are locked, please use the social hall doors.

Weekend Mass: If these doors are locked and Mass has begun, please wait for an Usher to come unlock the door.

EVENTS

BINGO - NO Bingo until our Parish Festival on June 23.

CANCELLATION OF GOLF OUTING EVENT - We want to inform you that our All Saints Parish Golf Outing that was scheduled for June 16th, has been cancelled. Due to a much lower than expected number of participants for a successful outing, our committee has decided to cancel. Please accept our sincerest apologies for the cancellation, especially those who had taken the time to donate already or who made plans to attend. The goal of the golf outing was to raise money for ASCS. Proceeds would have been directed to the upcoming school year needs of upgrading technology, building repairs, tuition and scholarship needs, STEM activities and more. We are grateful and appreciative of your continued support and hope to hold another event in the near future to support our school and provide funds for these upcoming needs. We are positive our efforts will be productive because of the great support of people like you.

News and Announcements

WHEN LIFE HANDS YOU COLOR...RUN WITH IT!!! ALL SAINTS PARISH COLOR RUN

Date: Sunday, June 23, 2019 Venue: Riverside Park, Berlin WI Time: 3:00 p.m.

Our Color Run is an untimed event and has no winners or prizes. It emphasizes fun over competition. It is free and open to families, adults and children. They are free to run, jog, slog (slow jog) or walk along the one mile course. For the safety of our participants and animal friends, we will not allow animals to take part in our run. Signs will be posted, asking runners to keep to the left on the "track". We recommend that you wear the brightest white to show off ALL the colors... but don't let that discourage you from going crazy with the brightest accessories you can find. Be adventurous! Create themes with your friends and/or families with crazy socks, sunglasses or tutus! The more white you wear at the beginning, the more color you'll see on your clothes at the end. Deck yourself out in bright white, wear your sunglasses and bandana. Run through the awesome clouds of color. The run will begin with a color toss, where color packets will be thrown into the air by the participants. Two color blasters will also be used during this portion. The color toss will provide great photo ops for observers who want photos. After the color toss, participants will proceed along the designated one mile course to the finish line. They will pass three color stations set up along the route. Each station is associated with a different color. Using squeeze bottles, volunteers will cover the participants with brightly colored powder as they pass each station. The final station in our run will be a glitter station. Join Us! We've Got You Colored!!

COLOR RUN QUESTIONS AND ANSWERS Is the Color Dust environmental friendly? The Color Dust is environmental friendly. No ecological hazards are associated with this product. It can be easily washed or blown from event areas. Is the Color Dust safe? The Color Dust we are using is safe, non-toxic and completely washable! The powder is a non-toxic, non-rash-inducing colored corn starch. It was tested for health and flammability. Will the Color Dust wash out of my hair? The color dust dye is made of colored cornstarch and is designed to be 100% washable. If you have light-colored hair, or if it's expected to be rainy or a particularly humid day when you participate in a color run event, we suggest adding some leave-in conditioner. You can wear a bandana. Will the Color Dust wash out of my clothes? The Dye we use is completely safe and will wash out of your clothes, but we don't do your laundry so results may vary depending on detergent, temperature, etc. For this reason we recommend you wear stuff that you don't mind getting a little colorful. **COLOR RUN TIPS** Sunglasses If you have sensitive eyes wear sunglasses to keep the color out of your eyes. If you plan on getting doused with powder. Clean Up Bring garbage bags or towels to cover your car seats for the trip home. Bring babywipes to clean up. There is a good chance that you might not want to ride home covered head to toe in colored powder. You may want to bring extra clothes. Cell Phones Bring a small sandwich bag or waterproof case if you plan on bringing your phone with you during the run. Otherwise, you might want to bribe someone to take pictures for you. We will provide sandwich bags for cell phones. We will not be responsible for any damage to cell phones. If you have questions please contact Carol Fehring
