**PARISH PRESS**

**Calling all Students and Parents of Students Who Will Be  
Graduating From 8th or 12th Grade This Spring!**

We realize we will be unable to hold our usual Graduation Mass and reception for our graduates, but we would still very much like to acknowledge them and honor them. We planning to have a slide show that we can show after the Livestreamed Sunday Mass on June 7. After that, it would be available to view on our Facebook page and webpage as well, so you can view it again later and send the link to Grandma and Grandpa as well. To do this, we are asking you to email us one picture of your graduate. You can include their name as you would like it to appear, grade, and school (if desired). We also understand some people may be concerned about having their child's picture and information available on the internet, so if you prefer not to participate, or to send us just some of their info, (ie, just a picture without a name or grade, or just a name with no picture) we will only include what you send us. Please email pictures and information for the slide show, **no later than May 26**, to: [kclark@allsaintsberlin.org](mailto:kclark@allsaintsberlin.org)

Additionally we would like to acknowledge our graduates in our bulletin as we have done in the past, by listing their name, grade, and school graduated from. We encourage you to call our office to make sure your student is on our list. If you do NOT wish for your student to be included in the bulletin, please contact the office so we can remove them from our list.

# EVENTS

**Private Prayer Time** - The church will remain open for private prayer, Tues. - Thurs., 8 AM - 4 PM. We ask that you use the hand sanitizer at the entrance. Please remember that there is a **limit of 9 people** in the church at a time.

**Church Office** - Our office is not currently open to the public, but will be minimally staffed Tuesday-Friday, from 8 AM - noon, to take phone calls and support parishioners. We will still be regularly checking emails and voicemail as well as updating our website and Facebook pages so we will stay in touch with all of you. Be safe, stay well.

**Parish Elections** will be postponed until a later date when we are able to hold the public celebration of Mass and everyone has the opportunity to vote. The elected members whose term is up have agreed to graciously extend until we can hold elections. For now we would like parishioners to consider being part of the parish council or education commission. Any parish member who is over the age of 18 is eligible to run for Parish Council, Education Commission, or Trustee. If you would like to submit your name to be placed on the ballot, contact the parish office for an application form. Any youth of high school age, and active in the parish, who wish to be considered for the youth representative appointed by the Pastor, should reach out to Fr. David at the parish office and provide a brief explanation to why he/she feels they should be considered for the one (1) school year term to serve on the Parish Council.

- The Parish Council meets once a month and assists the pastor in identifying, understanding, and implementing important matters that affect the life of the parish. Committees that stem from this include Liturgy, Building/ Grounds and Social activities. With pastor's approval, they help take care of the details enabling the pastor to focus on pastoral matters.
- The Education Commission meets once a month and is an advisory body which operates the various educational programs of All Saints Catholic Parish. This encompasses the Religious Education Program and the Catholic School, and is subject to the regulations of the Diocese of Madison. The purpose of the commission is to further the teaching mission of the Catholic Church by promoting various forms of Christian education that will serve the needs of our community.

**Cemetery Clean-Up** - It's that time of the year again for some spring cleaning! If you've placed any flowers, Christmas decorations, etc. on gravesites over the winter, we ask that you come and remove these things in the next week or two so our sextons can start cutting the lawn. Thank you for your kind attention to this.

**Memorial Day Mass** - We regret that the traditional Mass at one of our cemeteries has been cancelled for this year.

**Lawn Mowing Volunteers Needed** - Over the past 2 summers we have had a few individuals step down from the volunteer schedule, so we are looking for few good volunteers who would like to fill those places and serve the church by mowing the lawn. We have ride-on mowers, or if you prefer to bring your own mower you can do that too. Interested individuals can call or email the parish office to let us know your availability. Thank you!

**New Mail Slot** - With the help of David Zietlow, we have installed a new mail slot located on the carport side of the church complex. We realize people have varying schedules and routines, so we hope this will accommodate our parishioners who wish to deliver something outside of parish office hours. For example, this mail slot can be used as a secure way to drop off your adult offertory envelopes, a document Father may be waiting for, or perhaps return a key in a marked envelope. (As much as Father enjoys chocolate chip cookies, the basket on the other side may not accommodate really heavy objects) - so what you slide through the slot should be rather lightweight in nature.

**Update on Parish Festival and Chris Kroeze Concert** - Unfortunately, we are unable to hold these two events in June like we originally intended. Because this is such a great fundraiser and occasion for fellowship, the festival committee is looking into having the festival at a later date in the summer or fall. Chris Kroeze is unable to reschedule for a weekend later in the season, but we are working with him to come up with some alternate plans as well. We are hopeful and optimistic about these events and will keep you informed as we know any definite dates or other details.

**Other Summer Events** - Look for more information about our youth events like Vacation Bible School and Love Begins Here in the next couple of weeks as we receive more information. Thank you for your continued patience and flexibility as we work to keep everyone safe by following the latest recommendations of our state and diocese.

## Gospel Message from Father David (based on Luke 24:13-35)

This Gospel scene took place after Jesus' resurrection. Two men are walking along a road to a village called Emmaus. Their hearts are heavy as they think about all that happened in Jerusalem over the past few days – namely the death of the Lord. They were hoping he would be the one to redeem Israel. But now he was gone. What was happening – what was God doing? They were confused to say the least. Walking with them (Jesus likes to do that, doesn't he; he likes to walk with us) - as they walk, beginning way back in the Old Testament, he takes them through the prophets, God's promise to Israel, the foretelling of the Messiah from the lineage of David, born of a virgin. Born to establish a kingdom not on earth, but in the heavenly realms for those whose sins are covered by the Blood of the Lamb.

If there is any homily lesson I would like to hear, it would be that one. A discourse on centuries of prophesy, and the birth, life, death and resurrection of Jesus... as told by Jesus himself! It must have been quite a lesson - the walk to Emmaus was 7 miles. As the men listened, it says "their hearts stirred within them". That means these guys were starting to "get it". Finally at the end, their "eyes are opened", and they recognize Jesus... in the breaking of the bread. That should speak volumes, to us as Catholics, and to all Christians. Very noteworthy, and a homily in itself.

Back to the two men in the Gospel; they were trying to figure out what was going on - they were looking for answers! As we watch today's situation unfold around the world and in our own country, have you found yourself asking, what's going on? What is God trying to tell the world? What does he want from us? If one searches the Scriptures long enough, you can find a verse that applies to almost any situation. Sometimes the words are taken out of context, without looking at 'the whole' of the chapter message, and that's not always appropriate. But this past week I received a mailing containing a quote that caught my attention. It's from Isaiah 26:20: "Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by." One might feel that applies to this time of global pandemic, and maybe it does. The Old Testament often addressed immorality, sin, and injustice through means and expression of God's anger, wrath and the "end of his patience with things". In the light of Christ's passion, the New Testament tends to address sin and immorality more in terms of God's grace, mercy and forgiveness. But either way, sin needs to be addressed.

So, what does God want from us? I can make a whole list of sins our country and the world need to fix. Things we've come to accept as 'being okay' even when God says it is not okay. Or we may simply look away and remain sinfully silent. (Yeah, but those are other people's sins, not mine.) Hmm...as I was thinking about this, with some embarrassment I realized how quick I was to come up with wrongdoings related to other races, cultures or countries. But what does God want from us? From you and me? If he really is trying to tell us something through this pandemic, what is it?

We're responding to today's situation by doing things differently than the way we did it before. When it comes to our marriages, our families, our neighbors, our prayer time, Christ and His Church and how we keep the Lord's Day, is there anything we should be doing differently? I can't answer that for you. I can ask the question, but I can't answer it. However, we can ask God to help us figure it out. In today's Responsorial Psalm the response is "Lord, you will show me the path of life". Jesus opened the eyes of the two men on that 7 mile walk. He can open our hearts and minds to a new understanding as well. Throughout this coming week, each day, say these words: "Lord, you will show me the path of life". Keep the faith. Keep trying. We love you and miss you.
