Increased Attendance Allowed at Holy Mass

As of Monday, June 15, Dane County moved into "Phase II" of reopening. This means that many businesses and organizations, including churches, can increase gathering sizes to 50% of their maximum capacity, and Bishop Hying is giving churches in the diocese permission to do the same.

Please keep in mind that 50% doesn't automatically mean one half of full capacity, but that by law, we have to take spacing into account, etc. While some may feel very comfortable at this point in time, others truly do not, and we have to respect that and try to balance it.

Here at All Saints, 50% capacity equates to 325 people. In reality, after measuring 6 foot spacing in the pews and setting up extra chairs, we feel that we can reasonably accommodate 200 people while still maintaining proper social distancing. As long as the 6 foot social distancing recommendation is in place, 200 people will be the most we can accommodate, even if the percentage allowed increases. Ushers will be working diligently to seat larger families in the larger pews and singles and couples in smaller pews, etc. to make best use of our space.

We encourage those who choose to come to Mass to use the hand sanitizer available at the entrance, to wear face masks, and be mindful of keeping a 6 foot distance between you and those not in your household. These precautions are not only for your own protection, but also for the health of those around you.

It's also a good time to reiterate that it's important to not grow "lax" in keeping with the rules and parameters, as we don't want to "go backwards" in our ability to hold public Mass. People who have genuine concern about mixing in groups are still dispensed from Sunday Mass. We are still livestreaming the Sunday 10 AM Mass for those who wish to stay at home, and remind people that they are welcome to join us for Mass during the week when attendance is lower.

Most importantly, if you don't feel well, please stay home.

Curbside Chicken Dinner and Raffle

Sunday, July 26

Unfortunately our parish festival had to be cancelled due to Covid 19, but we are still going to have a family-friendly, fun event complete with a chicken dinner and raffles. Our delicious chicken dinner will include chicken grilled by the Poy Sippi Fire Department along with all the fixings including a slice of homemade pie. We are offering curb-side pick-up and delivery on **Sunday, July 26 from 11:00 am - 1:30 pm**. We will also have a children's dinner available which includes popcorn chicken, chips, a pickle, and a cookie. Adult dinner tickets cost \$15 which include a raffle ticket for a chance to win a 55" Samsung Smart TV with LED screen. Children's dinner tickets are \$7 each and will include a chance to win a Razor E100 Electric Scooter. Winners for these two prizes will be drawn on July 26, after the dinner. Many thanks to the Holy Name Society for providing these great prizes!

Dinner tickets will be available for purchase at the church or school office, Ladybug Floral, Fortifi Bank, and Farmers & Merchants Bank beginning this week. We recommend you purchase your tickets in advance as there will be a limited number of dinners available. Any unsold tickets will be available the day of the dinner.

In addition, we will have an online silent auction basket raffle. You will be able to view pictures of the baskets and a list of what each contains on our website and Facebook page. Bidding will take place online during the week leading up to the dinner. The bidding will end Friday, July 24, and winners will be notified so they can pick up their baskets when they come for their dinners on July 26.

To make this new event a success, we are looking for volunteers to bake pies and donate some baskets for the raffle. We'll need 75 pies and 20 nice baskets. We'll have pie tins available in the gathering space or the church office for those who can bake a couple pies. Anyone is welcome to put together a basket for our raffle as well. Please bring your baskets with a list of what they contain to the church by July 10 so we can post them online for a week before the event. Listed below are some ideas to get you started. Keep in mind, that as much as we appreciate a nice bottle of wine, we are not allowed to have any alcohol in the raffle baskets.

- Sports Fan – Packer, Brewer, Badger items (caps, hats, blankets), football, soccer ball, basket ball, bleacher seats, etc.
- Movie Night – popcorn, snacks, soda, movie gift card, fuzzy blanket, etc.
- Baker's Delight – baking pans, cookie sheet, cake/brownie mixes, chocolate chips, oven mitt, kitchen towels, etc.
- Caffeine Fix – gourmet coffee, coffee shop gift cards, mugs, French press/coffee/espresso machine, etc.
- Outdoor Fun – croquet set, badminton set, s'mores making stuff, binoculars, hydro flask, etc.
- Date Night – movie gift card, restaurant gift card, flower shop gift card, etc.
- Rainy Day Kids' Stuff – crayons, markers, coloring books, Legos, books, craft kits, etc.
- Car Wash Bucket full of car washing stuff and/or car wash gift cards

Remember, you can purchase gift cards to many of our local businesses and restaurants through our SCRIP program, and gift cards are always welcome additions to any raffle basket!

Looking forward to another fun event later this summer!

Virtual BINGO and BIG TICKET Raffle Drawing

Sunday, August 30

Packets of "Big Ticket" raffle tickets will be available for pick-up at our chicken dinner on July 26. This is the "Big Ticket" raffle that we would typically have at our Parish Festival. Many prizes have already been donated, but we could still use some more. There's still time to donate something before we get the tickets printed! - please contact Julie Boeck at 920-290-2703 or the parish office.

The drawing for the "Big Ticket" raffle prizes will be on Sunday, August 30 in conjunction with a virtual BINGO night! (You can get your Bingo cards on July 26, or anytime after that at the church or school.)

Parish Elections **Your Parish Needs You!**

We have been discussing ways to have our parish elections for both Parish Council and Education Commission in the near future. Before we can do that however, we need a slate of candidates! Any parish member who is over the age of 18 is eligible to run for the Parish Council and Education Commission. Each of these groups meet once a month, and members are elected for two-year terms. If you are interested in serving the parish and school in one of these ways, please contact the parish office to submit your name to be placed on the ballot.

Cleaners needed - We are in need of a few more people who are able to help sanitize the church after the 4:30 Mass on Saturday and the 7:30 Mass on Sunday. Volunteers wipe down pews, "high touch" surfaces, and the bathroom after Mass to ensure the church is clean and ready for the next Mass. Gloves and all cleaning supplies are provided. If you are willing and able to spare about 20 minutes after Mass, please see Sr. Michaeleen or one of the church staff before Mass to let them know you can help. Thank you!

Dear Ladies of All Saints CCW After much prayer and discernment, the National Council of Catholic Women, has made an informed decision to postpone our Centennial Convention 2020 until Aug. 25 - 28, 2021, when we are able to celebrate together safely. Our concern for your health and wellbeing as well as that of our partners was the primary reason for this decision. If you have already registered for the 2020 Convention, an NCCW staff member will be calling you in the next few weeks to discuss your refund. We are ever so grateful for your continued support and we look forward to celebrating together in 2021! May you continue to find good health and many blessings. In gratitude, Jean Kelly, President, NCCW

The All Saints Parish Rummage Sale scheduled for July 10-12, 2020 and sponsored by the CCW, has unfortunately had to be canceled. This was a tough decision, but as the time gets closer, the covid numbers in Wisconsin are still rising. Our plan is to have the sale next year, probably in July, so if you are able to hold your treasures until then, we would be most grateful.

On June 12, Bishop Hying and Michael Lancaster, Superintendent of Catholic Schools, released a statement regarding the return to classes this fall. In part, the statement says,

Rest assured that all of our Catholic schools are planning to welcome students and teachers back to their regular classrooms this Fall for in-person instruction five days a week as scheduled. ... Our school principals have met weekly since March. Principals will meet throughout the summer as we consult local health officials to develop plans and protocols to reopen and operate each school safely and in a way that will allow us to provide the excellent faith formation and academic preparation that students deserve and on which parents depend. ... All plans and protocols will be based on the guidelines that have been released by the CDC and the state, as well as on the advice of local health officials and adapted for the unique situation of your Catholic school to best provide for the safety, education and formation of your child(ren).

When the new school year starts, we will welcome Krista Sobieski as the Administrative Assistant at All Saints Catholic School. Krista comes to us with a background that includes 23 years working in early education, community collaborations and leadership development, public speaking and a writer who most recently worked as a reporter. She is a practicing Catholic who is also the founder of Unimaginable Hope and eager to assist by helping the school stay organized, while it continues to grow and flourish. Krista and her husband Richard live west of Berlin and have four children, Lane, Landen, Layten and Lakelyn.

All Saints also welcomes Tim Bartol as our Parish/School IT Support, and we welcome Jill Jensen back as well as our 4K afternoon teacher.

We would like to extend our heartfelt thanks and best wishes to Ms. Julie Handrich as she moves in a new direction and decided to not return to All Saints for the 2020-2021 school year. All Saints School and Parish wish to thank Julie for her time, talents and many years of service. We wish her much happiness and success and may God bless her in all her future endeavors.

The Parent Network is working on a project to show Ms. Handrich our appreciation of her 33 years of service by putting together a video for her. They are looking for your help to send pictures (new and old) and videos to let her know she will be missed. Please send these items to Jill via Facebook Messenger or email jkrause@manawaschools.org. The Parent Network is hoping to put this together soon, so please have all pictures and videos to Jill by June 22nd. Thank you in advance to Jill for working on this project and to all of you who can contribute!

ASCS Parent meeting Thursday, June 25th 6:30pm

As things develop for next year we will do our best to keep you informed. All Saints Catholic School will be holding a Parent Meeting to discuss the possible protocols/recommendations we have been given to open for next school year. This will be the first of a couple of meetings that will be offered throughout the summer to keep everyone informed. You will have two ways to participate in the meeting, in person at the Parish hall or online via Zoom. Mrs. Dahms will be sending out a Zoom link prior to the meeting. The meeting will be held at 6:30pm on June 25th.

Our Mission Statement:

All Saints Catholic School offers a Christ-centered education that develops the academics, morals, and values needed for students to reach their full potential as children of God.

FAITH FORMATION

Please pray for our First Communicants who will be making their First Holy Communion at a private Mass on June 28. We praise our Lord for His goodness in giving us his own Body and Blood as life-giving food for our souls. Religious Education Teachers Needed - We have some catechists who have been teaching religious education on Wednesday evenings who have graciously helped for many years who are ready to step down. Therefore, we are looking for some new volunteers who feel called to share our Holy Faith with our young people. Religious Education classes meet during the school year on Wednesdays. The younger students meet from 3:30-5:00 and the middle school students meet from 6:00-7:30. The mission of a catechist is an important one. Their role is to bring our young people closer to Jesus and grow in their faith as Catholics. Through their service, a catechist nurtures and mentors the children they teach so that they may form a firm commitment to follow Christ. If you are at least 18 years old, a practicing Catholic who regularly attends weekend Mass, have a love for children, the ability to relate well with others, a sense of humor and flexibility, and a desire to and willingness to be of service to the Church, you are encouraged to contact Michelle Wolff, DRE, mwolff@allsaintsberlin.org or 361-5252 for more information.

Larry Budde and family have expressed thanks for all the prayers as he has been recovering from some very challenging health concerns. What a joy to see him out and about again, and well on the road to recovery! We continue to pray for him and his family as he keeps making progress.

News and Announcements

Church Mice - A treat for the ladies who produced the family of "All Saints mice"

Try to follow this interesting trail:

Recently I received a card from a woman in Boston, MA. Tucked inside was the article below, which she saw in the Catholic newspaper of the diocese of Portland, ME.

When I first arrived in Berlin, I was given several little grey mice dressed in various assortments of church vestments. Along with them was the history of how, when the Bishop consecrated the church and altar, a brave little mouse actually entered the sanctuary and scampered up one of the legs of the altar! Amused by the timing of this, and that it happened in a brand new church, some ladies began to make little church mice designed to be used as Christmas ornaments. (At least I think that's how the story goes.)

I sent two of the little guys to a wonderful woman in Boston who I worked for at a large priest retirement home called "Campion Center." Apparently she was delighted with them, as 12 years later she still hangs them on her tree. When seeing this article, it reminded her of the church mice produced in a parish in far away Belrin, WI. She felt stirred to send me the article - along with a card and kind words.

So there you have it; the little mouse who presented itself to the Bishop inspired something we never expected. God uses us all - man and beast - big and small. It is certainly plausible that God interacts with animals and uses them for his purpose more than we may realize (Psalm 104:18-25). I hope you enjoy the article.

~Fr. David

Even church mice hoping day comes soon for faithful to return for Mass

by Ed Langlois, Catholic News Service

The Catholic Sentinel, newspaper of the Archdiocese of Portland, shares a recent letter it received to offer Catholic readers a little lighthearted break amid the seriousness of the coronavirus pandemic.

An open letter to Catholics from church mice:

Amid the pandemic, you have prayed for doctors, nurses, grocery store workers, priests and religious. You even, amazingly, invoke grace upon politicians before remembering us, who are right under your noses.

We church mice always made a good living from the Cheerios the Nelson kids dropped in the fourth pew during 10 a.m. Mass. And we realize the holy water was holy, but it also was delicious and refreshing. Now we are doing without, and you hardly seem to care.

Missing Holy Week was a big hit for us. In addition to the ecstasy of nibbling on succulent dropped palms, we consider Palm Sunday our most entertaining of the year. Those feisty Nelson boys call it "Sword Fight Sunday" and regularly thrill us with palmy parries and thrusts. We church mice refer to it as "Eye Poke Sunday" and would roll with laughter in our dens as we'd recount inadvertent facial assaults between pews. We guess those palms are hard to manage safely. Next year, best leave them on the ground for us. We'll take care of them.

Other than dodging drops of hot wax from all your little candles, we are impressed at your Easter Vigils. For the record, we prefer the dark part, since we must scamper into our holes when the lights come up. It's mouse code.

We may not have souls, but we can sense that something happens for you at Mass, something we don't notice in your houses, taverns and garages. For one thing, you almost never eat cheese puffs at church. For another, you seem connected to something bigger than you, a state we admire.

We may be only mice, but we hear when you say that your Christ is king of the universe, not just for humans. I guess Jesus is there for us all, even those who don't look like us—though tails and whiskers would be an improvement on you.

We mice pray in our own way and we pray fervently that you return to Mass soon, especially the Nelson kids.
