## PARISH PRESS

### PLEASE PARDON OUR DUST

Starting July 6th, there has been noticeable repair work taking place in front of the church. Over the past three years, we have been collaborating with our HVAC contractor about a damaging water leak in the basement that comes from the HVAC venting in the wall. After much discussion and research to determine where the water is coming from, we have reached the conclusion that we must repair and re-route some of the HVAC piping that is underground in the front of the building. The water that is coming through the venting pipes and draining back into the building which is causing condensation to build up in the pipes and flue gases are snuffing out the boiler, which over time will cause further issues. To prevent this, the repair is necessary and unavoidable for health and safety reasons. We have researched many options to make this as minor of a repair as possible and the option decided upon will only affect the outside of the building and nothing in the gathering space above will be affected.

### Questions and Answers:

**How long will the repair last?** With a start date of July 6th, the contractor estimates that we should have everything closed up and repaired within 2-3 weeks from the start date, provided we do not run into any obstructions in the plan to repair the HVAC vent pipes.

**How much is this repair going to cost?** Unfortunately, the overall cost of the repair is estimated at \$66,000. The quote includes everything from start to finish with excavation of the site, contractor services to help put everything back in place, as well as the HVAC contractor to rebuild the venting pipes that go to the boilers. This includes supplies, materials, and labor. A factor contributing to the cost of the project is the increased price for quality stainless steel piping for HVAC venting. This expenditure will be capitalized and was approved by the Finance Council to proceed with the repair.

## Do You Love Weddings?

We are looking for some people who would be willing to be on site during our parish weddings to help with things like setting up the Bride's Room prior to wedding, helping guests and bridal party find things they might need, and cleaning up afterward. (During COVID-19, this would include disinfecting high-touch surfaces and bathrooms as well.) This job would be perfect for couples or a small group of friends.

A stipend of \$100 per wedding is offered, to be split between helpers.

Please contact the parish office if you are interested. Thank you!

**Cleaners needed** - We are in need of a few more people who are able to help sanitize the church after the 4:30 Mass on Saturday and the 7:30 Mass on Sunday. Volunteers wipe down pews, "high touch" surfaces, and the bathroom after Mass to ensure the church is clean and ready for the next Mass. Gloves and all cleaning supplies are provided. If you are willing and able to spare about 20 minutes after Mass, please see Sr. Michaelleen or one of the church staff to let them know you can help

**Blood Drive** - The Community Blood Center will be holding a blood drive on Tuesday, July 14 from 10:30AM - 5:30PM at Grace Lutheran Church in Berlin. Donate during the month of July and be eligible to win one of four outdoor gas grills valued at approximately \$500 each! Winners will be drawn weekly throughout the month of July. To schedule your donation, please call 361-3679.

Once, during a dry spell, all the people in a village decided to pray for rain. On the day of the prayer, all the people gathered, but only one little girl brought an umbrella.

That's FAITH!

### Give the Gift of a Catholic Education. Sponsor a Student at ASCS.

An important part of our mission at All Saints Catholic Parish is to provide a solid and authentic Catholic education to the youth in our community, to pass on the faith we hold so dear to the next generation, as others have done for us. We do this through our Religious Education program and our parish's Catholic school.

At our parish school we have the opportunity to offer a Christ-centered Catholic education that is strong in academics, while developing the morals and values needed by our youth in order to live well and faithfully in our complex world.

Tuition for one student this year is \$2,500.00. Unfortunately, there are a few families who are unable to pay that amount, but whose children desire and deserve to be a part of our ASCS family. These families are hard-working, parish-supporting families with a limited income.

We are looking for sponsorship for 6 students during the upcoming school year. If you are moved to help sponsor any of these students, any amount of sponsorship, large or small, would be most appreciated. As an example, a contribution of \$500 from 5 people would cover one student's tuition. Or a contribution of \$250 from 10 people would do the same. Could you help Sponsor a student for the 2020-2021 school year? Donations may be made directly to the school office, the parish office, or dropped in the collection basket in an envelope labeled "Little Saints Tuition Fund".

Thank you for prayerfully considering this, and for continuing to support our school and the gift of Catholic Education throughout the year. With your help, we can continue to build Christ's Church in a very challenging world.

### All Saints Catholic School enrollment is open for 2020-2021!

#### This includes enrollment for our 3K program.

ASCS will be holding in-person, classroom instruction 5 days a week next year.

Please register your student(s) at our website: [school.allsaintsberlin.org](http://school.allsaintsberlin.org)

There is a button on our home page to direct you through this process. Please contact the school office with any questions or concerns.

#### Our Mission Statement:

All Saints Catholic School offers a Christ-centered education that develops the academics, morals, and values needed for students to reach their full potential as children of God.

# FAITH FORMATION

## ATTENTION CONFIRMATION CLASS OF 2020

Please make plans to attend **Confirmation practice on Sunday, August 23 at 11:30 AM** at the Church. **Students and parent(s) and/or sponsor need to attend this practice.**

The Sacrament of Confirmation will be celebrated at a special Mass on Wednesday, September 9th at 7:00 PM  
More information will follow regarding specific protocols, safety precautions, etc.  
Contact Michelle Wolff with any questions or concerns.

**Religious Education Teachers Needed** - We have some catechists who have been teaching religious education on Wednesday evenings who have graciously helped for many years who are ready to step down. Therefore, we are looking for some new volunteers who feel called to share our Holy Faith with our young people. Religious Education classes meet during the school year on Wednesdays. The younger students meet from 3:30-5:00 and the middle school students meet from 6:00-7:30. The mission of a catechist is an important one. Their role is to bring our young people closer to Jesus and grow in their faith as Catholics. Through their service, a catechist nurtures and mentors the children they teach so that they may form a firm commitment to follow Christ. If you are at least 18 years old, a practicing Catholic who regularly attends weekend Mass, have a love for children, the ability to relate well with others, a sense of humor and flexibility, and a desire to be of service to the Church, you are encouraged to contact Michelle Wolff, DRE, [mwolff@allsaintsberlin.org](mailto:mwolff@allsaintsberlin.org) or 361-5252 for more information.

Even if you do not wish to have your picture taken at this time, please take a moment to fill out the brief update form on our website or Facebook page, or call the parish office. This will help us to keep our parish records up to date and update our parish directory according to your preferences. If we do not hear from you, our default will be to include the mailing address, primary phone number and email we currently have on file. **THANK YOU!**

We're using Flocknote! Hopefully you already received a little "Flocknote" email from our parish office team this last week introducing you to this great communication tool. The Diocese of Madison is encouraging parishes to use this new tool to communicate with parish members. We will be able to connect with our parishioners and school families at a moment's notice via email or text message. Many are not on Facebook, so having a way to email messages to our groups and parish members will be extremely helpful to continue to keep us connected, especially during these times of COVID-19.

Please know that your information is safe, and Flocknote does not "own" your information. You can add yourselves to any groups and manage the messages you want to get from groups that you may participate in, such as the Usher Group or the Ministry Groups we will be building. You may also choose to "unsubscribe" at any time, although we hope you will want to stay connected with us to know everything going on in our parish community through newsletters, updates, and upcoming events.

You didn't get the email?? No worries! We are also in the process of updating our ParishSoft database along with our Parish Directory. Please take a moment to fill out the Google Form, found here: <https://forms.gle/qNg5Z9xjC2iqcNMbA> or to our website or Facebook page, to update your contact information so we have your current information on file. It's important that you fill out this form even if you don't have email or you're not getting your picture taken as this will give you the opportunity to specify what information you want included (or NOT included) in our updated Parish Directory. This information will only be used to keep our parish software system up to date, to send out church generated communications (including the new Flocknote tool described above), and be published in our parish directory. By default, we will include everyone's home address, primary phone number, and email address currently on file unless we hear otherwise from you. If you cannot access the Google Form, please call the office, and we will be happy to do the updates over the phone. **Thank you!**
