You are now welcome to schedule Masses or the sanctuary lamp for 2021. In an effort to provide equity and give all parishioners an opportunity to schedule Mass intentions, we ask that people limit the number of Mass intentions for the upcoming year to 3 per household, with no more than one weekend Mass per household per year. If you would like to schedule additional Mass intentions, we still have several weekday Mass openings for this calendar year.

Mass stipends are \$10, and the sanctuary lamp is \$5. Please stop by or call the office. 920-361-5252.

## Council of Catholic Women, CCW Meeting

CCW will meet on Monday, Oct. 19 at 5:30 PM in the parish hall. We will discuss the Soup Luncheon, currently scheduled for November 14 and whether or not we should follow through with our plans to hold the event this year. We'll also talk about Christmas and where we should direct funds to be the most helpful.

Last Sunday  
13 members  
of All Saints  
traveled to

Madison to pray at Planned Parenthood from 2 until 4. Many thanks to the "pilgrims" that were able to make the trip, our bus driver, Don, our Holy Name Society and Knights of Columbus Council for sponsoring the bus and to all in our parish that continue to pray for an end to all abortions and closing of Planned Parenthood facilities. We look forward to a return trip next year along with an increase in our numbers.

## Hurting from Abortion? There is hope.

Project Rachel is an outreach ministry of the Catholic church offering care and compassion for women and men hurting from abortion. It is an opportunity to receive the healing of God in a caring and hopeful setting.

Contact Mary Mead, the Rachel's Vineyard & Project Rachel Coordinator who will listen to your story and help you find the appropriate persons and resources to walk with you in your journey to healing. Consultations are always private and confidential.

# All Saints Catholic School

## Building Saints, Scholars, and Children of God

### What's Happening at our Catholic School

It's been eight weeks since All Saints Catholic School has started the school year and we just completed our first round of parent teacher conferences! They were not our traditional face to face conferences, but having the conferences virtually still allowed us to connect and communicate with parents to ensure we are all working together to help move each student forward academically as we help prepare them for the future.

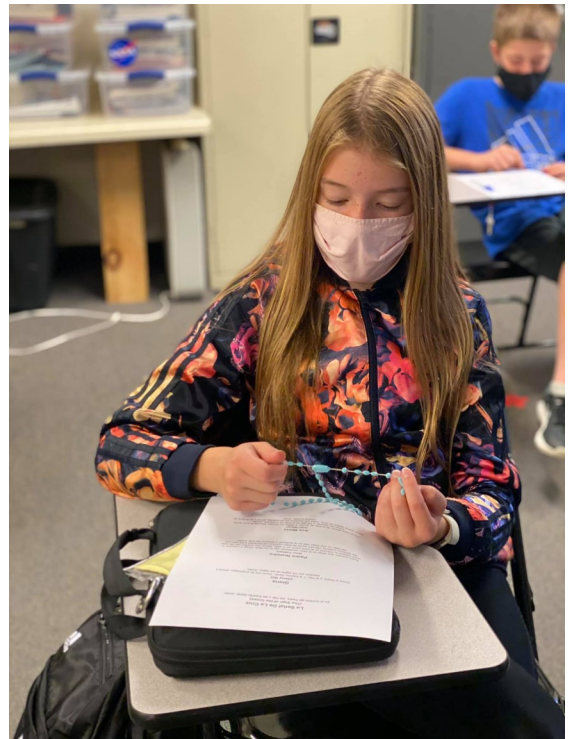

The week was also busy as staff and students in second through eight grade were busy testing, doing the Star 360 Assessments in reading and math. The Star 360 Assessment reports help provide important data so that staff can drive instruction to an individualized curriculum for each student.

There are so many wonderful opportunities for students attending All Saints Catholic School and one thing the students are able to participate in, is becoming more fluent in Spanish. Children, starting in kindergarten partake in Spanish class, offered by Maricela Galindo. Children learn Spanish as well as learn about the culture which helps increase their awareness of the world! The students look forward to the weekly Spanish lessons and learning a new language, something we are happy to offer the students attending All Saints Catholic School. Younger students recently learned their colors in Spanish, while older students played a game of Spanish lightning using a basketball, and they prayed a decade of the Rosary in Spanish.

Thanks to everyone who supported the All Saints Catholic School Parent Network Poinsettia and wreath sale! We are very blessed to have such great parishioners in our parish and so much support from the community. The Parent Network is such a valuable asset helping make our school better and helps us offer more to our students. We are grateful for everyone that is involved in making these fundraisers a success and know how valuable they are! How beautiful the poinsettias and wreaths will be to help decorate our homes and offices during the Christmas season.

# FAITH FORMATION

If you're curious about the Catholic faith or you've thought about becoming a Catholic, our **Rite of Christian Initiation for Adults (RCIA)** program is for you. Adults from all faith traditions, or no religious background at all, are welcome to participate in our program of instruction designed especially for the needs and lifestyles of busy people. The program focuses on four essential areas: What the Church teaches (and why we believe it's the *fullness of the Truth*); How the Church teaches; The Bible; and Spirituality. Classes will begin in October, based on individual schedules.

Contact Michelle Wolff for more information. 920-361-5252 or [mwolff@allsaintsberlin.org](mailto:mwolff@allsaintsberlin.org)

## Compassionate, gratuitous services available for divorced Catholics and those in irregular marriage situations

In an effort to improve our diocesan ministry to divorced Catholics and those in irregular marriage situations, our diocesan tribunal has expanded its services to include a Pre-Petition Case Advisor. A Pre-Petition Case Advisor accompanies an individual through the discernment process following a divorce by explaining the Church's teaching on marriage, making a personal assessment of any moral and canonical remedies available, and providing assistance in petitioning for a declaration of nullity (commonly referred to as an annulment).

Amy Klarkowski, previously the Moderator of the Tribunal Chancery for the Diocese of Madison from 2014-2019, has stepped into this role of Pre-Petition Case Advisor. If you or anyone you know has questions about marriage nullity or how to petition for a declaration of nullity, contact Ms. Klarkowski directly at (608) 821-3068 or send an email to [amy.klarkowski@madisondiocese.org](mailto:amy.klarkowski@madisondiocese.org). The information you provide will be kept confidential and services are always at no cost to you.

## October is Respect Life Month

In honor of Respect Life Month, the Middle School Religious Education Students displayed pink and blue crosses in remembrance of the unborn.
