Do You Love Weddings?

After a year of staying home and limited gatherings, we are pleased that we have several weddings scheduled this year!

We are looking for some people who would be willing to be on site during our parish weddings to help with things like helping guests and bridal party find things they might need, assisting with bringing in flowers, clothes, etc. and cleaning up afterward. (This would include disinfecting high-touch surfaces and bathrooms as well) This job would be perfect for couples or a small group of friends.

A stipend of \$100 per wedding is offered, to be split between helpers.

Please contact the parish office if you are interested or would like more information. Thank you!

What's Happening at All Saints Catholic School

Holy Hill Trip

On Friday, April 30th, the second, fifth, sixth, seventh, and eighth grades from All Saints Catholic School went on a field trip to Holy Hill National Shrine and Basilica. The students attended Mass, participated in praying the rosary, walked the long hilly path that has the Stations of the Cross, ate a picnic lunch, toured the grounds, and visited St. Therese Chapel. Seventh grade found the original wooden cross from 1863 and searched for their vocabulary words that had to do with the

religious site. Holy Hill National Shrine and Basilica is located in Hubertus, Wisconsin, and it draws pilgrims from all over the world. The teachers and students wanted to experience a holy pilgrimage, and it was a great day to do that. The students spent the day praying, exploring, and attending Mass.

FAITH FORMATION

Religious Education Classes have been completed for the school year. Thank you to all of our parents, students, and catechists for being here each week: bringing your children here or helping them online at home, teaching, and by being attentive to learning the beauty of our Catholic Faith. We are grateful we were able to have in person classes and also be able to connect with students through Zoom.

Remember to stay connected to your faith this summer by participating in the activities we have planned, *and most importantly by attending Mass every weekend!* God bless you all.

Mark your calendars!

News and Announcements

Lawnmower News—Our Church will be looking to purchase or acquire a new or acquire a gently used lawn mower for the Church grounds. The lawnmowers we currently have are definitely showing their age and the mower deck is quite beaten up. After discussing with a group of the volunteers who mow during the summer, we would be interested in getting a 60" cut, Zero-Turn Lawn Mower. Please contact the parish office if you know someone who may be downsizing or has one that they would like to donate. We are planning to manage this season with the equipment we have (hopefully with no major breakdowns).

If we do not find a gently used one or have a generous donor by the end of this calendar year, we will need to put the purchase of a new mower in the Church's budget for next year. At this time, the estimated cost for a new mower is \$6,000 to \$10,000, depending on the brand and whether it is a residential or commercial grade mower.

USCCB Offers Sample Letters to Pharmaceutical Companies

The USCCB, following the Vatican, now has a webpage that encourages the faithful and provides resources for them to write to pharmaceutical companies with concern for the sanctity of life and protesting the use of abortion-derived cell lines and advocating for the development of vaccines with no connection to abortion. To make it easier to take this action, the USCCB provides sample letters to pharmaceutical companies at:

<https://www.usccb.org/resources/letters-pharmaceutical-companies>

and has further resources and information at:
