

Our Lady of the Lake Catholic Church

Growing in the Spirit

All Saints Catholic Church and Regional School

Silva Linings with Father John

Today we celebrate the feast of the Most Holy Trinity. This feast is rather unique in that it honors a doctrine rather than an event. What we are commemorating today is a central reality of our Christian faith, that God is Trinitarian in nature — three distinct persons — Father, Son and Holy Spirit — in one God.

The Church calls this truth a mystery, as indeed it is. It is not a mystery in the sense that it is a question that must be answered but rather in the sense that the depths of this truth are far beyond our human comprehension. Some have said that “mystery” in this context is “not a wall to run up against but an ocean in which to swim.”

Contemplating the “ocean depths” of this mystery can make us humans feel so small, and almighty God so far from us. Yet nothing could be further from the truth as today’s readings demonstrate.

The first reading, from Proverbs, says that God “found delight in the human race.” The greatness of God in no way puts Him at a distance from us. In fact, one of the facets of the Trinitarian nature that we can understand is that God is, by nature, relational. So, it makes sense that He would delight in being in relationship with us whom He made in His own image and likeness.

In the second reading, St. Paul reminds us that not only does God delight in us, but He is intimately connected to us. “The love of God has been poured out into our hearts through the Holy Spirit that has been given to us.” Not only does God permit us to draw near to Him, He wants to live in the very depths of our being and in all the intimate details of our lives if we will let Him.

Finally, in the Gospel from St. John, we learn that God holds back nothing of Himself from us. Jesus tells His disciples (this includes us!) that the Holy Spirit “will take from what is mine and declare it to you. Everything the Father has is mine.” Thus, we find ourselves drawn right into the midst of this Trinitarian love. In fact, if the mystery of Holy Trinity is an ocean which to swim, the “water” that makes up that ocean is love.

What then should be the response of the Christian steward to this sublime mystery? All we can do is worship. And offer our lives back to God in total gratitude for calling us to live in the richness of such unfathomable love. This week let’s re-invite God into the midst of our lives and make sure the way we spend our time and energy each day shows Him our profound gratitude for His many gifts to us, but above all the gift of Himself in the Trinity — Father, Son and Holy Spirit.
