

Our Lady of the Lake Catholic Church

Growing in the Spirit

All Saints Catholic Church and Regional School

Silva Linings

with Father John

Today's readings focus on the personal, passionate, and merciful love of God which should fill us with unending gratitude to Him. This gratitude is the fuel, if you will, that keeps the stewardship way of life rolling along.

In our First Reading from Exodus, we see the Israelites whom God has just rescued from slavery, behaving like ungrateful brats. The Lord provides them divine rescue from their enslavement, and they turn their backs on Him to

create a false idol in the form of a molten calf to worship. What hubris! Yet Moses pleads for God's mercy towards them, and once again, God grants it in abundance.

In our Second Reading, from St. Paul's letter to Timothy, we find a grateful Paul who says of himself, "I was once a blasphemer and a persecutor and arrogant, but I have been mercifully treated... Indeed, the grace of the Lord has been abundant along with the faith and love that are in Christ Jesus." St. Paul is well aware of the sins he has committed. But this does not hold him back from ministry. Rather, it makes him all the more grateful to be God's steward. How encouraging to know that this is true for us as well. Our past sins, and even our present struggles, do not disqualify us from becoming God's grateful stewards. In fact, the more we have been forgiven and live with the awareness of our continuing need for forgiveness, the deeper our gratitude to God, and thus the more fuel we have in our tanks to live the stewardship way of life.

Jesus Himself gives us several poignant illustrations of His merciful love in today's Gospel reading from Luke. Let us focus on one, in particular — the story of the lost sheep. Jesus begins this parable by asking, "What man among you, having a hundred sheep and losing one of them would not leave the ninety-nine in the desert and go after the lost one until he finds it?" The natural response is no one! It simply does not make sense to spend the time and energy searching for one lost sheep when there are so many others to tend to. But God's logic, God's mercy, defies human logic.

Jesus does go after the lost one and continues to pursue him "until he finds it." And when he finds the lost one, Jesus does not bring him back into the fold begrudgingly, with annoyance and frustration at having had to go after him. No, He brings the lost one back with great joy, carrying him upon His own shoulders. And who is the lost one? It is every one of us when we stray away from God through sin, great or small.

What gratitude we owe to such a personal, passionate, loving God! Just think, even our sins, once forgiven, become a source of fuel for our stewardship way of life as we reflect with deep gratitude on the powerful mercy of our Savior.

How can we demonstrate our gratitude to such a God? By living as His good stewards. We thank Him by offering back to Him the very best of ourselves — the talents He has given us (to use for His glory), the time He has given us (to spend with Him in prayer), the material resources He has given us (to advance His kingdom).

In so doing, we can make the words of St. Paul, a former enemy of Christ, our own stewardship motto: "I am grateful to Him who has strengthened me, Christ Jesus our Lord, because he considered me trustworthy in appointing me to the ministry," We must keep rolling, Christian stewards!

The Berlin Food Pantry is a community resource for those in need of food in Berlin and a large surrounding area. Several Christian churches in Berlin have worked together to provide this service. The executive board of the pantry is comprised of the clergy from these churches and most of the volunteers are church members including several from All Saints Parish.

The pantry is located behind River Shores Church (S. State St.) Hours are from 12noon - 2pm on Thursdays, plus 6 - 7pm on the third Thursday. Your donations of food and financial support are greatly appreciated.

Volunteers are always welcome and needed. Contact Larry Budde at 920-290-3217 for more information

ALL SAINTS CATHOLIC SCHOOL AND FAITH FORMATION

All Saints Catholic School is off to a terrific start!

Students are starting off their school year learning with hands-on experiences, like the science lessons for the 6th graders this past week.

The 6th grade students at all Saints Catholic School are learning about sound waves in science class. They made "telephones" using different kinds and sizes of cups and cans. They also tested different materials for the wire and compared the data to find which material transmitted sound best. They reviewed and discussed variables and controls in the experiment.

What do Secular Franciscans do?

It's not what we do, but who we are. We are peace-makers: we listen to both sides, and we do not sow discord. We care for creation by being stewards of all that God created and encouraging others to do the same. We stand with the poor by working to make their lives better. We look for the good in others by treating everyone with patience and kindness. We love to pray together and to collaborate in our fraternities, at work, school, and in family life. We are welcoming and seek what is lovable in those who may seem unlovable. We are people of prayer and conversion. We try to deepen our relationship with Jesus each day by spending time with him and by being willing to change. Interested? Call Mary Hess at 608 477-0889.
